

Pre-Professional Programs

Pre-Professional programs are not majors or minors and do not lead to a degree from UND. In order to graduate with a degree from UND, you must:

- Choose a major and complete the specific requirements of that major as determined by the department responsible for that major.
- Pre-Chiropractic with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/chirobsprofhealth/>)
- Pre-Dentistry with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/dentistrybsbiology/>)
- Pre-Medicine with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/medbsbiology/>)
- Pre-Optometry with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/optbsbiology/>)
- Pre-Osteopathic Medicine with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/osteobsbiology/>)
- Pre-Pharmacy with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/pharmsbsbiology/>)
- Pre-Physician Assistant with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/pabsbiology/>)
- Pre-Podiatry with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/podbsbiology/>)
- Pre-Veterinary with any major (<https://catalog.und.edu/4yearplan/artsandscience/preprofessionalprograms/vetbsbiology/>)
